SNK 80

Aspire Sink

Who said concrete is cold?

Aspire in Mint Mayonnaise
proves it can be warm, inviting,
and timeless.

Project for: **Carpenter
Classics, Bangalore**
Size: 900 x 514 x 850 mm

CK 6000

Timber

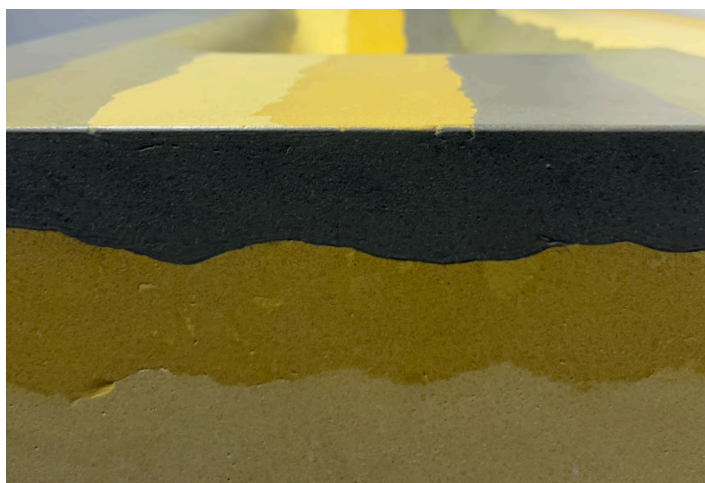

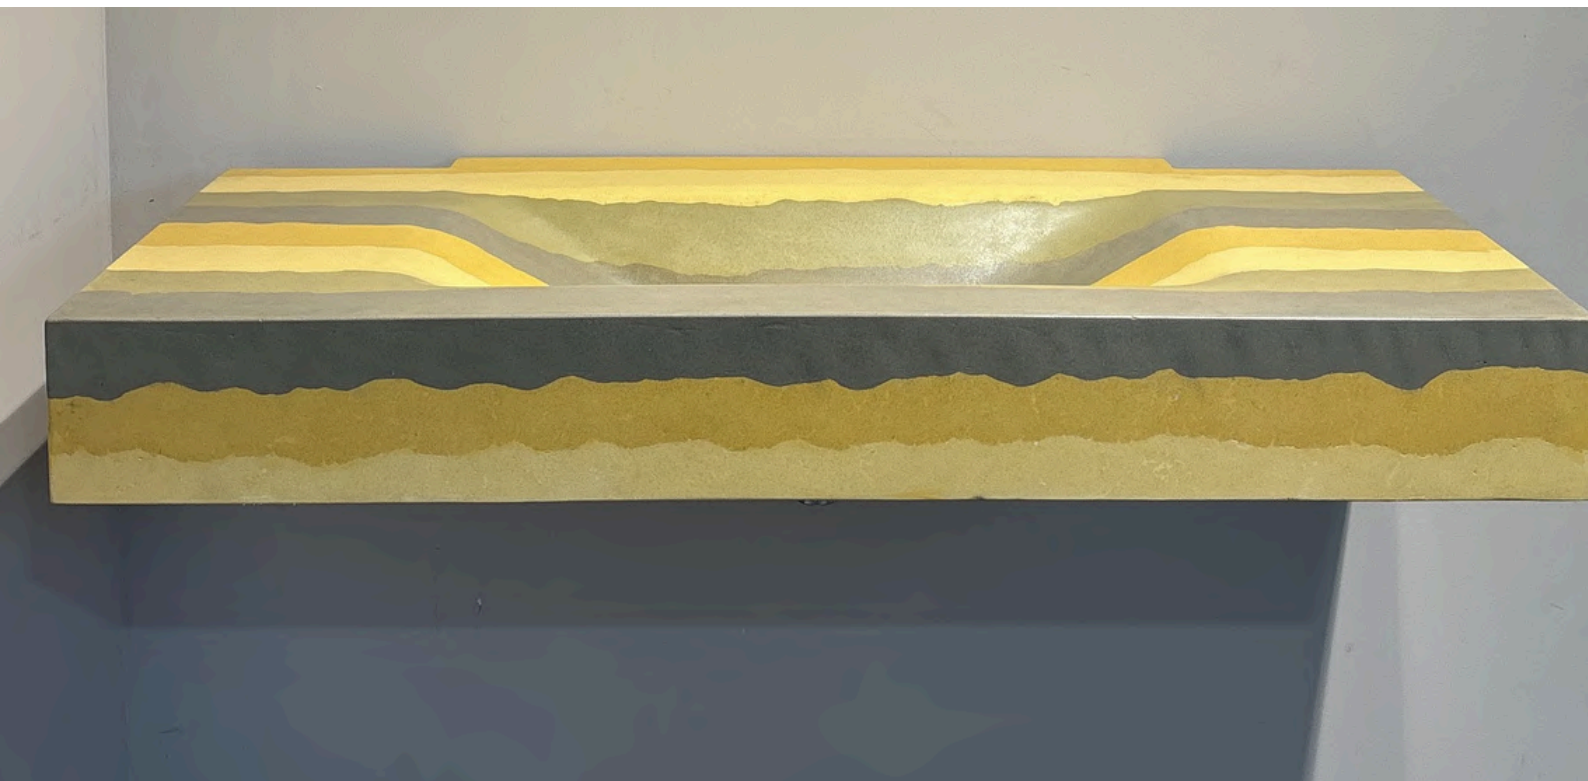

Console Table

This sleek concrete console table combines raw, natural material with refined, sculptural lines, creating a modern minimalist aesthetic. A timeless design that adds understated elegance and serenity to any interior.

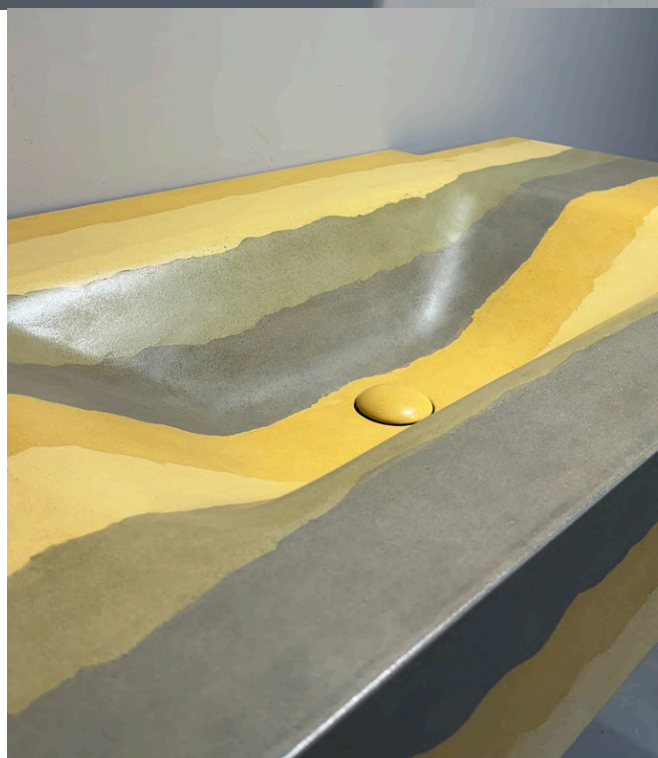

Project for: **Morph Lab, Mumbai**
Size: 1400 L x 300 B x 750 H mm

Countertop Sink

Project for: **AD Architects, Hyderabad**

Size : 1219 L x 559 B x 150 H mm

This bespoke concrete basin dips gently into itself, creating a natural basin that feels both grounded and refined with a combination of neutral and warm tones.

Infinity Pool Sink

SNK 200

Rock Edge

Project for: **AD Architects, Hyderabad**

Size : 1219 L x 508 B x 150 H mm

Experience the perfect fusion of nature and modern design with our concrete basin featuring a rock edge. This countertop basin showcases a rugged, chiseled front contrasted by a sleek, smooth basin, offering both functionality and bold aesthetics. A statement piece for refined interiors.

Dining Table

Rammed Earth

Each layer tells a story — of untouched landscapes, wind-sculpted dunes, and stone shaped over centuries. More than just a dining table, this piece serves as a tangible connection to the earth beneath us.

Project for: **Kea Design Labs, Mumbai**
Size: 2400 L x 1200 B x 750 H mm

Mirror & Basin set

Project for: **Spaces And Design, Kolkata**

Basin Size: 486 D x 100 H mm

Mirror Size: 609 L x 900 H mm

Elevate your space with this ribbed concrete basin and matching mirror set, designed for a bold yet refined aesthetic. The textured fluted details add depth and sophistication, while the rich green hue brings a touch of nature-inspired luxury. A perfect harmony of form and function.

Project for: **Spectrum Design Group, Mumbai**

Size: 2010 x 563 x 430 mm

Raga Seating

CK 5400

Rammed Earth

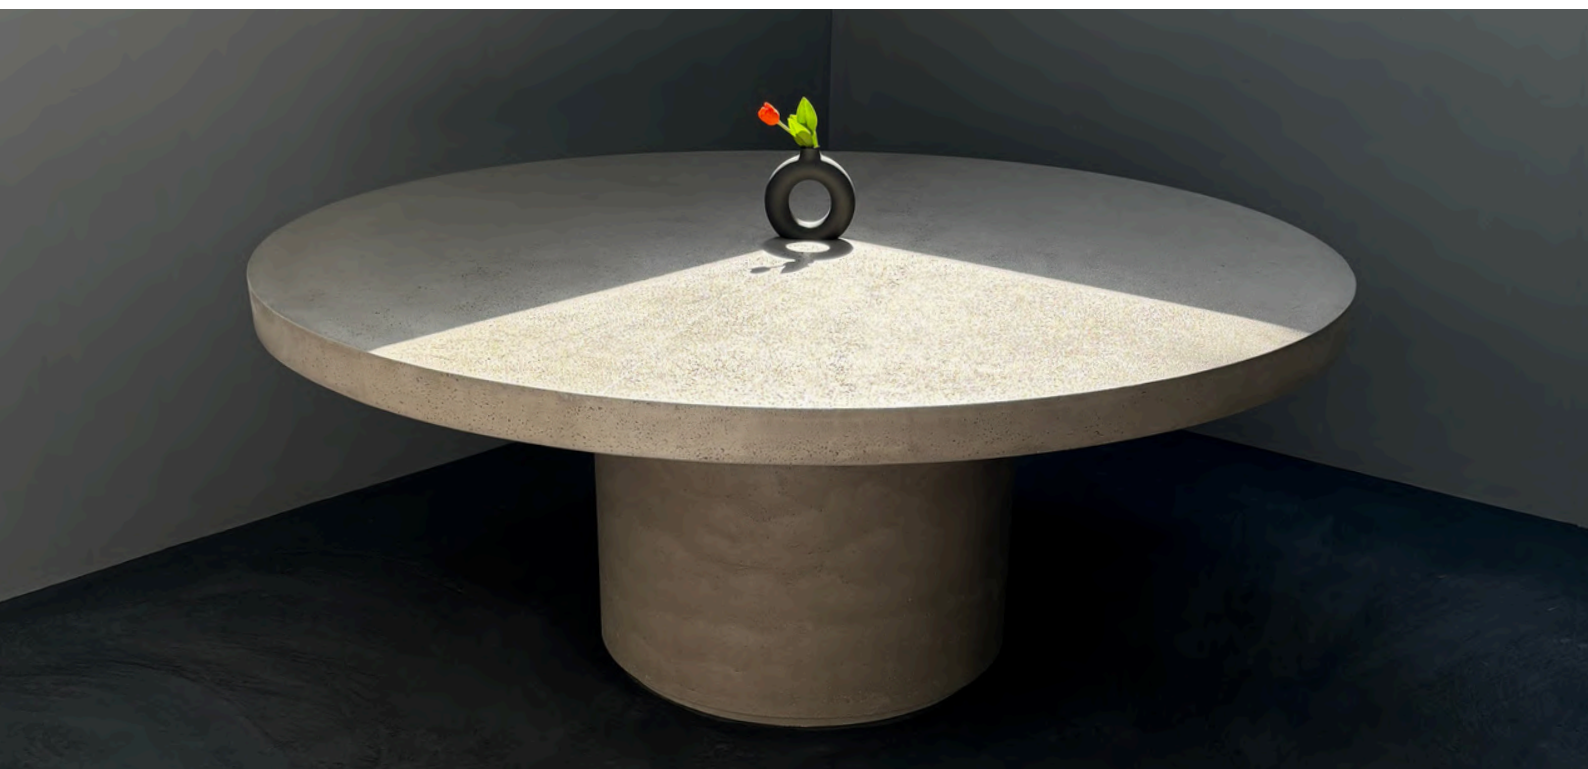

Each layer tells a story — of untouched landscapes, wind-sculpted dunes, and stone shaped over centuries. More than just a table, this piece serves as a tangible connection to the earth beneath us.

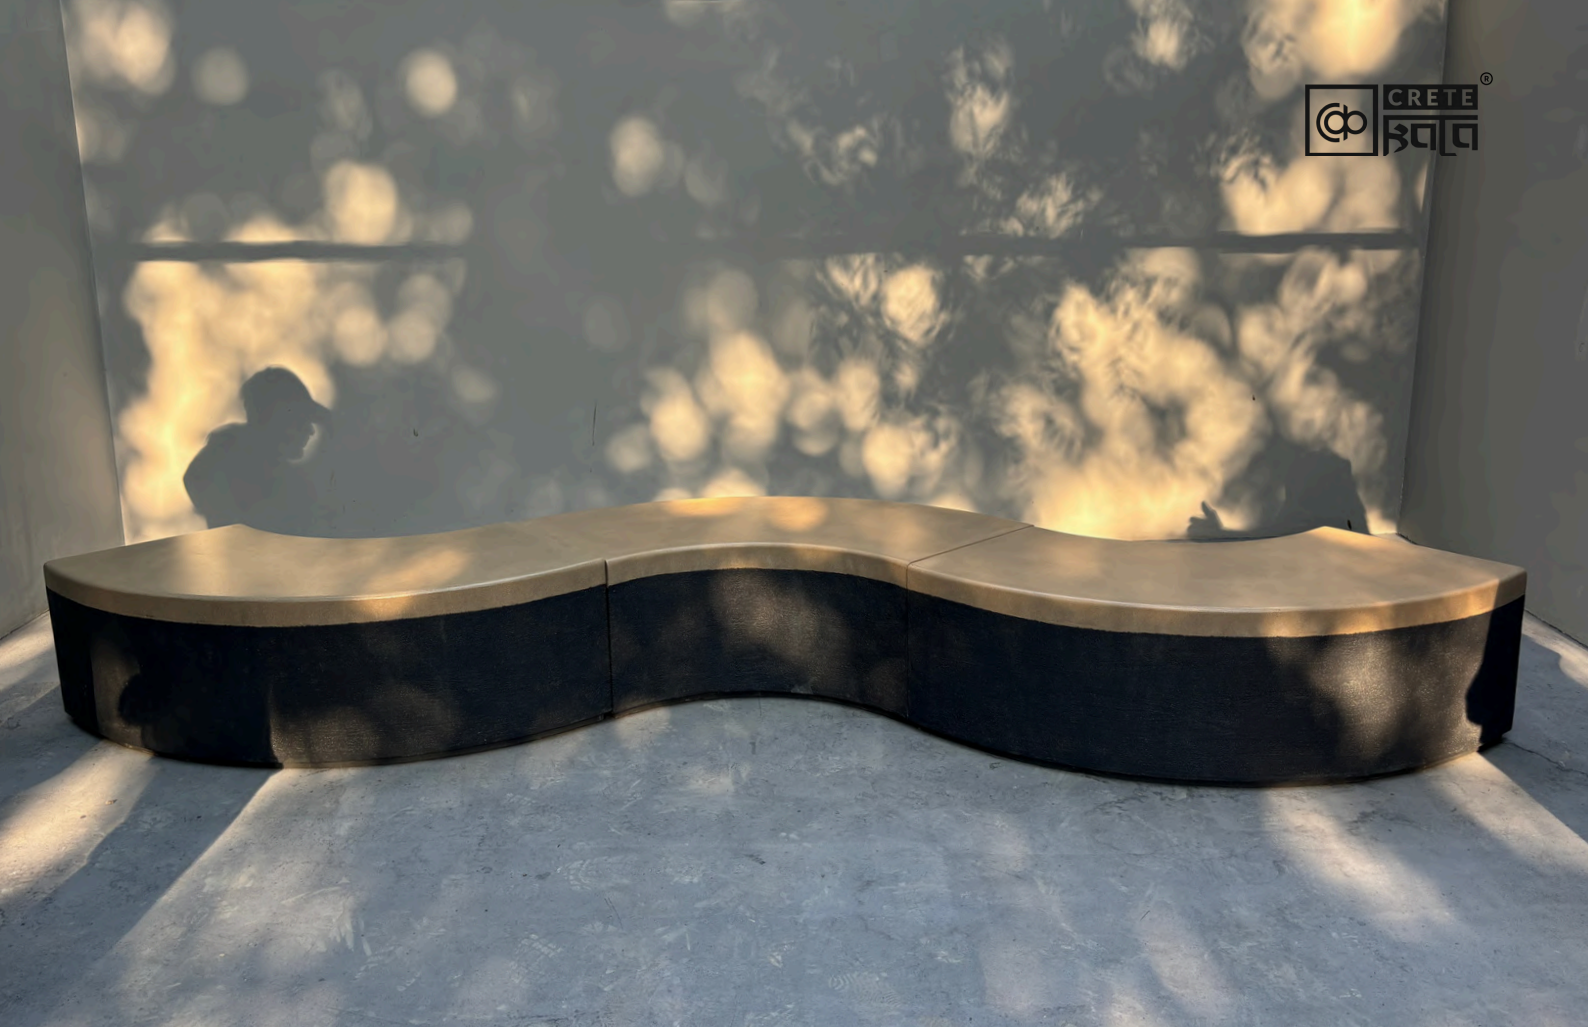

Dining Table

Pitted

Project for: **Ar. Elsie Nanji, New Delhi**
Size: 1800 D x 750 H mm

Where moments are shared, and memories are made. The pitted Quarry Stone dining table blends timeless design with artisanal detail, creating an anchor of elegance in any space.

Modular Bench

Set of 2,3 & 4

Project for: **Spectrum Design Group, Mumbai**
Size: 1255 L x 425 B x 375 H mm (per piece)

This Modular Bench set is more than just a bench—it's an experience. The fluid curves and contrasting tones invite creativity, whether arranged as a cohesive unit or spaced apart for a sculptural touch. Perfect for indoors or out!
